Mr. Michael Martinez  
Office of the District Attorney  
505 S. Salina Street  
Syracuse, NY 13202

Dear Mr. Martinez:

I spoke with you on the phone regarding an allegation that an Attorney & Client knowingly filed a false sworn affidavit in a Family Court proceeding. Per your directions I have attached a copy of the false affidavit and have also complete a sworn complaint regarding the conduct.

By artificially establishing a false venue for a support proceeding I am currently involved in I could very well soon end up in jail in the wrong jurisdiction. Because of the distance involved it really limited by ability to both defend myself or even call witnesses.

I know your office must be very busy, but I certainly hope you will give this your attention; especially since I feel the attorney involved, Ms. Maureen Walsh, knowingly had her client submit this false statement to mislead the Court regarding venue – just as a matter of personal convenience.

Please don't hesitate to contact me if you have any questions.

Sincerely yours,

John Murtari

Criminal Complaint

JOHN MURTARI, being duly sworn, deposes and states:

1. I submit the following statement in support of a criminal complaint against Attorney Maureen K. Walsh for assisting her client in submitting a false affidavit in a Family Court proceeding.
2. Ms. Walsh is an experienced Family Law Attorney in Syracuse and her contact information can be found in the attached affidavit.
3. In late September of 2005 I received a letter from Ms. Walsh notifying me that the attached affidavit had been filed as part of a show cause order with Onondaga County Family Court.
4. I allege that Paragraph 2 of that affidavit intentionally incorrectly states my last know address as: 55 E. Genesee Street, Baldwinsville, NY. This is in Onondaga County and is a work office address.
5. The address at which I have resided for the last seven years is: 34 Franklin Street, Lyons, NY. This is in Wayne County. I have never made any attempt to conceal this as my address.
6. The petitioner, my former spouse, has not lived in Onondaga County or New York State for over six years.
7. In these six years when I write to the petitioner I use my address in Lyons as the return address. I know of no situation where I would have used any Company stationary to contact her or in other way give her an office address.
8. My son, Domenic, comes to visit me in Lyons several times a year. The petitioner is very well aware of the home where I live and where Domenic stays with me.
9. In the recent Support Hearing in Syracuse on Jan 19<sup>th</sup>, I was not present, but my attorney told me the petitioners sworn testimony was clear as to where I have lived these past years: 34 Franklin St., Lyons, NY.

10. I allege that the use of the Baldwinsville address on the affidavit was done at the intentional direction of her attorney, Ms. Maureen Walsh.
11. Ms. Walsh was also well aware that my residence was in Lyons, NY, from the Petitioner.
12. I allege that as a very experienced attorney Ms. Walsh was aware the address should have been of my residence (if it was available). She was also aware that this would have established venue for the proceeding in Wayne County Family Court, which is in Lyons.
13. I believe this falsehood was submitted as a matter of personal convenience and to establish a Court location where she felt she could win.
14. When this effort began in September, I had been living almost full time in Lyons due to the poor health of my mother. She was diagnosed as terminally ill by her Physician and I provider her primary care at home with the assistance of the Hospice program.
15. Syracuse Court is over an hour from Lyons and the deliberate effort to mislead the Court on venue caused me a lot of hardship and prevented me from defending myself and could soon result in a six month jail sentence.
16. I hope this matter will be investigated and prosecuted if my statements are verified.
